

2022 Virtual Christmas Eve

Merry Christmas! Thank you for joining us for our virtual celebration of the birth of Jesus. If 2021 has taught us anything, it is to live in a hybrid mode. So, we are thankful to not only be celebrating in-person this Christmas, but also virtually.

Please reach out to us by email if we can serve you in any way as we start the new year. You can send your email to info@faithbc.net.

Instructions

The pre-recorded video will be available at 12p on Christmas Eve via YouTube at our FAITH Glen Burnie channel: [@FAITHGLENBURNIE](https://www.youtube.com/@FAITHGLENBURNIE). If it is easier, you can also find a link directly to the video on [ChristmasinGlenBurnie.com](https://www.ChristmasinGlenBurnie.com). Please consider streaming it on your TV if you have become savvy enough to figure out how it works. We are excited about the quality of this year's virtual worship. To enjoy it at its best, you will want to see it on a big screen. Make sure you stay after Pastor Tim's message for a special gift from us ... you'll love it.

After you watch the video, we would love for you to host a discussion with your family and friends. If you are solo, please contemplate the questions by yourself and consider journaling your answers.

Post Worship Discussion

- 1) Some of the songs tonight were probably new to you. Which one was your favorite?
- 2) Specific to Pastor Tim's message ... what is the most useless gift you have ever received? You know ... the "it's the thought that counts" kind.
- 3) Who in your family is a notoriously bad gift giver (don't hurt feelings if you are sitting next to them)?
- 4) Maybe a better question would be: Who is notorious for being an amazing gift giver?
- 5) Why do you think people see Jesus as unneeded? Maybe you do. If so, why?
- 6) If you have realized your need for Jesus, what is it that convinced you?
- 7) How might your life change if you lived with a daily appreciation of the undeserved gift of Jesus?

Conclusion

Put your answer to question 7 to the test. Be thankful. Give him honor for rescuing us. We didn't deserve it. We don't. We never will. What a gift!
