- Bachelor's degree (it does not necessarily need to be in education)
- Experience working with children
- Some knowledge of each cultural art subject (on-the-job training will also be included)
- Strong communication, collaboration, and classroom management skills
- Passion for cultivating creativity in young students
- Ability to facilitate a collaborative and creative learning community

RESPONSIBILITIES

Instruction & Curriculum

- Plan, develop, and deliver engaging lessons in cultural arts.
- Introduce students to a variety of art forms, styles, and traditions from around the world.

Student Engagement & Development

- Foster a safe, inclusive, and creative environment where students feel encouraged to express themselves.
- Support students' artistic growth through constructive feedback.
- Develop cross-cultural understanding through discussions, projects, and community engagement.

Program & Community Involvement

- Collaborate with colleagues across subjects to integrate cultural arts into broader learning experiences.
- Maintain positive communication with families and community partners to support arts education.

Classroom Management & Administration

- Maintain an organized and well-equipped classroom.
- Adhere to school policies and professional standards of conduct.
